

PAVING NOTICE

July 6, 2018

Old Forge Crossing Residents,

The 2018 paving project will be commencing shortly. This project aims to improve drainage on Island Drive, the Central Drive and finalize paving on the Upper Drive and Upper Entrance. During this project, these areas will have strict restrictions. Below is the schedule for the pavement work.

*This project has been broken into sections.

Please note which section you fall into and listen for updates via Swift Reach. *

All areas will have daytime travel lane restrictions from 7AM to 5PM

Starting July 9, 2018: **Upper Drive**- No Parking in **Green Area**- Day or Night, for the duration of the project.

July 16- July 20: **Island Drive**- Storm Sewer Work- No Parking in Dark **Blue Area**. Vehicles must be clear by 7AM, can return at 5PM.

All areas marked in **Orange** will have limited parking throughout the project.
Further updates will be provided as they become available from the contractor.

****All cars must be moved by 7:00AM****

Vehicles not moved will be towed at the owner's expense.

- Do not sharply turn wheels on the new top. This will damage the new asphalt and cause marks.
- Large service trucks will not be permitted on new asphalt for 1 week. Please delay deliveries.

This schedule is subject to change due to production issues, weather, plant issues, breakdowns, or unforeseen circumstances.

We will be using the call system for updates throughout this project.

Please add the "OFC local hotline" number to your contacts: 610-990-0322.

If you have changed your phone number, please contact the management office to ensure you receive all calls.
